

Hello, this is Adam from Stellar Concepts & Design, the nation's leading printing, marketing and advertising firm. Could your company use 5,000 full color business cards with free graphic design and free UV lamination for only \$99? If you'd like to speak to me to hear about our \$99 business cards, or leave me your contact info so someone could contact you later, press 2 anytime during this message. Stellar Concepts has been designing, printing, marketing, and advertising for over ten years. We do everything from business cards to brochures. Maybe you need a new video commercial to put on local cable or your website. Stellar can do it for only \$999. Maybe you need a new website all together. Stellar's web design team has over 30 years experience and our professional sites start at \$849. We also have over 350,000 promotional products to put your logo on such as t-shirts, pens and stickers. Maybe you need more new clients. Who doesn't? Stellar Concepts caters to each individual company we work with. Let us help your company grow to the next level. Press 8 if you would like to be removed from this call list."
